Raleigh, North Carolina, 27699-1548
(919) 707-6000

The proposed action is the construction of a US 70 bypass of the City of Havelock in Craven County, North Carolina. This statement documents the need for improvements to the existing US 70 corridor and evaluates alternatives with respect to cost, and social, economic, and environmental consequences. Current and projected future traffic conditions in the study area are described. A preferred alternative is recommended.

Comments on the Draft EIS are due by _____ and should be sent to Dr. Thorpe at the above address.
